SUMMER 2022 | National and Global Scholarships Advising

Good morning! Check out this summer's updates from the National and Global Scholarships Advising Office!

01. Announcing a Record Number of Gilman Scholarship Recipients

National and Global Scholarships Advising is celebrating a record number of Gilman scholarship recipients for study abroad programs for the summer and fall terms. **21 students** received grants to help towards studying abroad in a program or internship of their choice. Some of these scholars are abroad already, studying in countries worldwide, from Mexico, to the UK, to South Korea, Namibia and beyond.

With an application that runs twice per year, **the Gilman Scholarship enables students with limited financial means to study or intern abroad.**

Help students grow.

All faculty and staff have a key role in helping students have the confidence and mentorship to apply to nationally competitive scholarships. You can help **by referring students to our office, serving on an application review committee, writing strong recommendations, and more.** Check out ways to help here:
